

REMARKS

Telephone Discussions with Douglas Sorensen

During a telephone discussion with Douglas Sorensen on August 22, 2008, a provisional election was made without traverse to prosecute the invention of Group I, claims 60-63. Claims 64-72 are withdrawn from further consideration by the Examiner.

During a telephone discussion with Douglas Sorensen on August 26, 2008, authorization was given for an Examiner's Amendment. The Listing of the Claims above reflects the Examiner's Amendments on page 8 of the Notice of Allowance dated September 2, 2008.

Status Of Application

Claims 60-63 are pending.

Claims 64-72 are canceled.

Claims 73-75 are added in order to provide a more sufficient basis of protection for the present invention. These claims do not introduce any new matter.

CONCLUSION

In view of the foregoing amendments and remarks, this application is considered to be in condition for allowance, and an early reconsideration and a Notice of Allowance are respectfully requested.

This Amendment does not increase the number of independent claims, does not increase the total number of claims, and does not present any multiple dependency claims. Accordingly, no fee based on the number or type of claims is currently due. However, if a
